You are immediately impressed by the cart arch, with a pair of uPVC doors

forming the front door of this stunning property. The doors open into the hallway which showcases tiled flooring and a large exposed stone wall. Various doors lead off and the cloaks cupboard presents good storage.

The spacious and attractive lounge is flooded by natural light entering via a large picture window overlooking the rear garden. The vaulted ceiling adds to the charm of this inviting space and a door opens out to the rear garden. A cream enamel multifuel burner forms an attractive focal point.

An oak and glass door opens to the kitchen-diner which is a superbly sociable area. The dining-living space, with tiled floor, offers plenty of room to sit and dine with additional space to relax and enjoy the beautiful rear garden. A pair of French doors open into the garden creating a seamless transition between indoor and outdoor living, and the patio is the perfect place to enjoy the alfresco dining experience. The well-equipped kitchen offers plenty of wall and base units with a light-coloured shaker-style door complemented by a black granite work surface. There is an AEG induction hob beneath a built-in extractor fan, an eye-level NEFF double oven between two large deep cupboards, corner carousels, a herb and spice pull out, and a bowl and a half Shaws ceramic sink underneath a window which adds further light and opportunity to enjoy views of the rear garden.

An oak and glass door opens to a useful utility room, with matching floor tiles, which offers further wall and base units, plumbing and space for a washing machine and tumble dryer, a gas free-standing cooker, plumbing and space for a dishwasher, a full height fridge, a full height freezer, and a single bowl stainless steel sink. The gas boiler is housed here for ease of access, two windows allow for natural light, and a door opens to the rear garden.

The family bathroom offers the ultimate bathing experience. The suite comprises a double-ended freestanding white bath, a shower cubicle with shower, his 'n' hers sinks with matching mirrors and lights above, and a close-coupled toilet. The space is fully tiled, illuminated beautifully by the natural light entering from the Velux window with further lighting by way of spotlights within the low maintenance ceiling.

The hallway continues up two steps and past a window for natural light, to the bedroom accommodation. Both rooms ooze a sense of peace and tranquillity.

The primary bedroom is a spacious double with three built-in wardrobes with attractive oak doors. The window seat is the perfect place at which to sit and enjoy the stunning views over the courtyard to the front and over open countryside beyond.

Bedroom 2 is a large double room taking full advantage of the glorious views to the rear of the property.

Significant in size, the rear garden is a real gardeners paradise. Partly fenced and partly hedged for privacy and with a good-sized patio area, this outside space is ideal for relaxing and unwinding from the hustle and bustle of the day. The more formal area of the garden flows freely into a wildlife garden at the foot which provides the opportunity for an abundance of nature to visit. There are 3 useful garden sheds which are the ideal

place to house the garden accessories needed to tend the raised planters and cottage-style borders. Opposite, there is an elevated decked area, with a pergola, creating the perfect space for entertaining family and friends during those warm summer months.
